

## CURRENT OPPORTUNITY

Title: **Software Developer**

Employment Type: **Full-time**

Experience: **3+ Years of Software Development Experience**

Location: **Edmonton, AB**

## Join a fun and dynamic team on the leading edge of software development and design

We are a top-tier GovTech software and service company focused on helping Municipal Governments simplify Municipal information to generate greater citizen engagement. Our brands include MuniSight, CAMALot, Townfolio, All-Net, and Muniware. We are a rapidly growing team that is well positioned to increase our breadth and depth within the niche rural and small urban market. We are looking for high calibre team members who can help take us to the next level.

## About you as the Software Developer

- Full-stack developer, develop user-facing features from front to back end
- Fix bugs in new and existing code
- Optimize applications for maximum speed and scalability
- Collaborate with other developers, QA, and product managers

## What you bring to the team

- 3+ Years of Experience .NET Framework, .NET 6
- 3+ Years of JavaScript experience (React is a bonus)
- Experience working in a SCRUM environment
- Strong ability to collaborate with other developers
- Strong ability to set goals, and achieve them
- Strong ability and willingness to learn new processes and technologies

## About CATALIS and what we offer

At our office in Old Strathcona (Edmonton, Alberta), we have a fun and inviting work environment with all the modern fixings; stand up desks, meditating/quiet room, rooftop patio, foosball, table tennis, shuffleboard, and board games. We celebrate an active social committee, have fitness challenges, love our office dogs, lounge areas, and more!

We also offer competitive compensation, a hybrid work policy, full paid vacation, and comprehensive health & dental benefits. We focus a lot of energy on professional development as we want our employees to ride the wave and grow with our business.
